## During my stay, from whom can I get help?

- There are RAs(Residential Assistants) in dorms
- RAs will collect your KaKaotalk ID and invite you to a groupchat.
- Important notices are devlievered via KaKaotalk, and if you have any questions you can ask the RAs.
- As the RAs are also KU students, they might not be able to answer right away, but they will try there best to help you.
- RA working hours: 20:00~24:00
- Ask questions unrelated to dormitory to ISC student staffs

Our Dormitory is a communal space where many students from various nationalities live together.

Besides IWC residents, there are also KU students in the dorms.

For your safe and joyful experience in our KU dormitory, please keep these protocols.

1. Do not cause fire hazard or ignition, or have unauthorized possession and use related to inflammable substances and heating device. (The use of cooking devices are only allowed in the kitchen)
2. Do not threaten the safety of communal life through unscrupulous acts such as theft or through other illegitimate objects, assault, violent language, creating fearful atmosphere, sexual assault and harassment.
3. Smoking is prohibited throughout the building.
4. Do not let people other than your roommate enter your room.
5. Do not damage or steal public and private property in the dormitory.
6. Please follow the RAs' and security guards' instruction during your stay.
7. Do not bring any pets into the building.
8. Please keep your room clean for the health of you and your roommate.
